

Fundraising Policy

Any team may conduct fundraisers for their team for the 2026 season. All fundraising activities must be approved by West Coast Volleyball Club's administration prior to the activity taking place. Teams that participate in fundraising must recognize that they represent West Coast Volleyball Club and must project a positive image of our club when out in the community.

Please adhere to the following guidelines:

1. Funds must be for the purpose of directly benefiting the team. Travel and tournament costs are the most common use of fundraising money. These expenditures can include: tournament fee reimbursement, hotel and travel expenses for the athletes, and travel meal expenses for athletes.
2. Use of West Coast Volleyball Club's logo must be approved in advance.
3. Fundraisers should be discussed with all parents on the team and gain majority approval where possible.
4. All fundraisers must be approved by the club's administration prior to beginning. Please email WayneL.wcvc@gmail.com details of the fundraiser. Please see **Fundraising Requests** below.
5. Team fundraising must be in adherence with all other club policies.
6. Any excess funds at the end of the season must be forwarded back to the athletes that were involved in the fundraising.
7. Detailed accounting of the funds raised is essential. You may be required to produce accounting records to team parents and/or West Coast Volleyball Club administration.
8. Please allow a minimum of 7 days for your request to be reviewed.

All players will be given the opportunity to participate in one club wide fundraiser. Participation is voluntary. This fundraiser will be organized by West Coast Volleyball Club's Executive and Leadership Committee. All funds will be collected and distributed by the club's Treasurer. Athletes and families can request their fundraising total at any time and can apply this total to the tournament costs of their choosing.
